

# Television Quarterly Clip Contest

## Entry at a glance

1. **Read the rules** and make sure you are eligible to enter the contest (for example, your NPPA membership must be current).
2. Entries must be with **mixed audio** and submitted on a **DVD** that **plays in an ordinary consumer DVD player**. It is advised that you check your entries in different players.
  - a) **One category per DVD**. Photographers from the same station may submit compilation entries if each DVD contains only one category. If more than one category is submitted on the same DVD, stories will be disqualified. This goes for individual photographers too: if you are submitting by yourself and have stories from two different categories, you must submit two DVDs.
3. The United States (and world) is broken into three divisions. You will compete in the following geographical divisions, based on the location of your station:

NPPA West	NPPA Central	NPPA East
Every state west of and including Montana, Wyoming, Colorado, New Mexico, and Texas (also includes Alaska and Hawaii, Canada, Asia, Australia, and the Pacific region).	Minnesota, Iowa, Missouri, Arkansas, Louisiana, Wisconsin, Illinois, Michigan, Indiana, Ohio, Kentucky, Tennessee, Mississippi, Alabama, North and South Dakota, Nebraska, Kansas, and Oklahoma (also includes Central America, South America, and Africa).	Maine, New Hampshire, Vermont, Massachusetts, New York, Connecticut, Rhode Island, New Jersey, Delaware, Pennsylvania, Washington DC, Maryland, Virginia, North and South Carolina, Georgia, and Florida (also includes Europe & the Middle East)

Within each region, there are two pools of competition based on station merit and resources. Photographers working for the following news organizations submit to their division's **Top Station Pool**:
